\* Benefits

Brioche Sliders are made with an inimitable French Know-How for a unique soft texture. These are made with simple & selected ingredients like eggs, typical of the traditional French Brioche recipe. Easy to share, sliders offers a gourmet moment for the whole family. Ideal for any meal, sweet or salty recipes!  
Guaranteed GMO free and vegetarian made with natural flavors & without preservatives.  
Brioche is a bread of French origin that is similar to a highly enriched pastry, and whose high egg and butter content gives it a rich and tender crumb. Boulangerie 255's slider buns are no exception. Their light and fluffy texture are the result of an authentic French recipe used to make them. Soft and buttery brioche buns are perfect for sliders, fried chicken sandwiches, and more. Leftovers? Great! Make into French toast, bread pudding, garlic bread, or croutons.
