* Benefits

Idyll Pastures is named after the wild grasses and flowers growing on the Great Lakes Pastures that our Certified Humane Alpine goats graze on at Idyll Farms. The resulting fresh farmstead goat cheese is a delicately fluffy, 4 oz. round softly sweetened with honey and lightly dusted with lavender flowers, that can be easily sliced or spread. Its flavor is citrusy and tangy, balanced by the sweetness of honey and floral notes of the lavender dusting, paired with the smooth creaminess of super fresh, healthy milk. Regenerative farming practices. Gluten free. Gently pasteurized. US Championship Cheese Contest and American Cheese Society Award winner 2019.
