* Benefits

Gringuita Cookies specializes in bake-from-frozen cookie dough that comes in preformed, quarter-pound dough balls that are to be baked in the comfort of your home. The 4 oversized dough balls come in resealable pouches, so you can bake the amount you want and keep the rest in the freezer. Gringuita Cookies never uses preservatives or unnatural ingredients, but the dough naturally lasts for up to a year in your freezer. Perfect for dinner parties, family gatherings, or if you want to treat yourself to a restaurant-style dessert in the comfort of your home, Gringuita Cookies is the perfect freezer staple item. While Brown Buttah is our only flavor that does not contain a filling, it proves to be the most popular time and time again.
