* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Prairie Breeze is a cheddar-style cheese made with the addition of a proprietary blend of unique cultures. It is produced by Milton Creamery in Southern Iowa, sourcing milk exclusively from small, family-owned farms from within a 30 mile radius. Milton Creamery is a SQF Edition 8.1 producer and also cuts/packages everything in house using their state of the art facility. Prairie Breeze has won numerous awards in both National and International competitions.

Ingredients

pasteurized cow's milk, salt, vegetable rennet, cultures
