Following his death in 1904, his son Leon Bel took over the business. In 1921 Leon trademarked The Laughing Cow, and the tasty, affordable, portable potential of processed cheese was born. Completely new to France, it was unique in recipe, texture, and individual portion presentation. Leon also proved to be an advertising innovator, commissioning famous illustrator Benjamin Rabier to draft the friendly red cow we know and love so well. In 1970, The Bel Group made its start in America by purchasing the Avalon Cheese plant in Leitchfield, Kentucky. Avalon Cheese became Bel cheese, and began producing cheddar by the barrel. The Leitchfield, KY plant began making The Laughing Cow cheese wedges in 1974 and never looked back, moving on to Mini Babybel waxed semi-soft cheeses. In 1974, top brand Kaukauna Cheese moved to its present facility in the Little Chute Industrial Park in Little Chute, Wisconsin.
