

Cypress Grove  
28341 - Humboldt Fog Wheel

Soft-ripened goat milk cheese with a distinctive layer of edible vegetable ash.  
Subtle, tangy flavors of buttermilk and fresh cream with herbal overtones and a clean citrus finish.

\* Benefits

The Original American Original. Conceived in a dream (yes, really!) by founder Mary Keehn, this masterpiece paved the way for soft-ripened goat cheese in America. Each handcrafted wheel features a distinctive ribbon of vegetable ash. You'll enjoy flavors akin to buttermilk and fresh cream, complemented with floral notes, herbaceous overtones, and a clean citrus finish. As Humboldt Fog matures, the creamline develops and the flavor intensifies.

Ingredients

Pasteurized cultured goat milk, salt, enzymes and vegetable ash.

Handling Suggestions

Re-wrap in wax or parchment paper to allow the cheese to breathe as it continues to ripen.

Serving Suggestions

Serve for a cheese course, cheese board, dessert, appetizer, or hors d'oeuvre. Drizzle with honey and serve with prosciutto, tart apple, and Marcona almonds. Crumble atop mixed baby greens with a vinaigrette and roasted beets. Create Humboldt Fog Brle by sprinkling turbinado sugar on the face of a wedge and heating with culinary torch to create a sweet and crispy, flan-like crust.

Prep & Cooking Suggestions

To optimize cheese quality, keep cheese cold (32-40F) and wrapped in wax paper. Re-wrapping soft-ripened cheese in wax or parchment paper will allow the cheese to breathe as it continues to ripen. Remove your cheese from the refrigerator at least one hour before serving.
