* Benefits

Brothers Fabrizio and Pierpaolo have been tending bees and collecting honey as for over 20 years. Their honey is extracted using centrifugal force, for a voluptuous texture that maintains the integrity of each varietals flavor. Dense, creamy, and buttery with hints of nectarine and plum, Sunflower Honey has a warm but gentle flavor with universal appeal. We like to pair it with Bianco Sardo or Mahon Aged.

Handling Suggestions

Since this is a natural, raw honey, it may crystallize over time or at cooler temperatures. To return to a liquid state, simply heat the jars in warm water, stirring to smooth the texture

Serving Suggestions

Sunflower honey pairs well with strong aged cheeses like Mitica Mahon Aged and Genuine Fulvi Pecorino Romano
