\* Benefits

Serrano ham "24" is from pigs of Celtic origin, bred in Spain and selected for their size, age and proportion of fat. We select hams from heavy pigs, which allows us to extend the curing process for an average of 24 months During the crafting process we use only very little mediterranean sea salt and no additives. Our master ham artisans review and classify each piece one by one many times until they decide that each ham has reached the ideal maturation

Ingredients
