### \* Benefits

Prosciutto di San Daniele can only be made in the village of San Daniele del Friuli, a tiny town nestled between the Dolomite mountains. Here the unique combination of strong, cold alpine winds and warm marine breezes from the Adriatic Sea, create the incredible micro-climate for air drying and aging the famous Prosciutto di San Daniele. Low humidity, excellent ventilation and cool breezes from the foothills of the Alps. Principe's signature item, authentic Prosciutto di San Daniele, is renowned throughout the world for its smoothness on the palate. Our slow aging and expert salt application allow the development of lean, soft, evenly marbled meat that is sweet in taste, lean and silky in texture.
