* Benefits

Truf is a large format, mixed milk cheese made by Caseificio dell'Alta Langa, a fifth generation family-owned creamery in northern Italy which specializes in unique, handmade cheeses of this style. Their most famous cheese is called La Tur. Like La Tur, Truf is a three milk cheese consisting of cow, sheep and goat's milk. Truf 3 Milk is three pounds of spreadable, truffley goodness. With an amazing and complex based cheese, enhanced by the addition of Italian black truffles, Truf celebrates the history of the place where it was created. Piedmont is the capitol of truffles in the world and they grow right outside the creamery's front door, so adding them to the cheese was a no-brainer and the results are delicious.
