29891 - Paleta Iberico Wfm

* Benefits

La Quercia In 2001, Herb and Kathy Eckhouse started La Quercia with the idea that better meat makes better cured meat. Though their appreciation of fine cured meats was sparked by several years in Parma, Italy, it was the bounty of their home, lowa, that inspired Herb and Kathy to start curing meats in their basement. La Quercia Iberico is made from free roaming benan pigs from Georgia and aged 1 year with a distinct flavor from the pecans and agent their form.

1 year, made from the Shoulder meat, producing astonishingly rich and sweet flavor, with a long melting finish.
