

Schaller & Weber

30498 - Lachsschinken Small

dry-cured, cold-smoked pork loin rolled in thin layer of fat to preserve moisture. This unique meat should be chilled and sliced thin, and like lox can be served with cream cheese, onions and capers.

* Benefits

This dry-cured, cold-smoked pork loin perfectly highlights the skilled work and strict guidelines of our charcuterie meisters. As one of a small number of producers to craft this item in the US, Schaller & Weber is the only one to produce it to traditional German standards. Once the cut has been cured and smoked, it is then rolled in a hand-selected, thin layer of fat to lock in the moisture. As the Lachsschinken ages, the pork develops a flavor similar to smoked salmon. This unique meat should be chilled and sliced thin, and like lox can be served with cream cheese, onions and capers.
