Certified Master Cheesemaker Sid Cook has won more top national and international awards than any other cheesemaker in North America. As a fourth-generation cheesemaker, he received his cheesemaking license when he was 16, and now owns and operates four cheese plants and eight retail cheese stores in Wisconsin. As a company, Carr Valley Cheese began in 1902, and today is best known for producing high-quality, artisanal aged Cheddars. Using cow, goat, and sheep milks, Sid enjoys creating new cheeses, and Carr Valley now produces more than 50 original varieties. He crafts cheese the old-fashioned way, by hand, with a goal of producing high-quality cheese with outstanding flavor.
