Handling Suggestions

Cool dry place

Serving Suggestions

Sambal is bold, so a little bit goes a long way. It can be used simply as a condiment: Try spooning some onto eggs, noodles, or grain dishes. Or use it as an ingredient: Whisk a spoonful into a marinade, dilute it with oil to make a quick sauce for noodles or roasted veggies, or add some to your next stir-fry dinner. Mix it with mayo it makes for an amazing spicy dipping sauce.
