* Benefits

Hawthorne Creek Creamery Swiss has a savory, but not very sharp taste. The creamy, pale yellow paste of this young swiss is highlighted with tiny eyes and a sweet nutty flavor. Great alone, melted or cold in a great ham and swiss on rye. Hawthorne Creek Creamery Swiss's natural sweet flavor pairs great with Prosecco or Riesling to bring out the full flavor. Produced fresh at our on farm creamery, Hawthorne Creek Creamery Swiss is a local favorite.

Handling Suggestions

Refrigerate after opening. To preserve freshness and taste wrap remaining cheese in cheese paper, or parchment paper. This will allow cheese to breathe in packaging. The best place to store your wrapped cheese is in a crisper in the refrigerator, which has the most consistent temperature and humidity.--UNIT UPC: 860006119133

Serving Suggestions

Serving size is 1 oz. Lay the wedge on its flat side and cut thin slices from top to bottom. You will end up with beautiful Swiss triangles that will complement the finest cheese boards.

Prep & Cooking Suggestions

Remove cheese from cold storage and bring to room temperature at least 30 minutes before consuming. Cold storage hinders natural flavors and fragrances of the cheese.
