* Benefits

French Broad Chocolates: we make awesome chocolate sourced with integrity, crafted with intention, and served with gratitude. This Guatemala bar contains 73 percent cacao and offers flavors of concord grape, fresh-baked brownies, and almond butter. Deep in the foothills of northern Guatemala lies the village of Rocj Pomtil, a settlement of May open, dopchi who cultivate cacao, cardamom, and maize. Their cacao has only recently become commercially available, thanks to the efforts of a truly extraordinary organization, Uncommon Cacao. The audacious proposition of Uncommon Cacao is that with education, organization and fair treatment, the cacao farmers can substantially improve their livelihoods. Their mission is to create a sustainable, prosperous cacao industry in which farmers and chocolate makers thrive together.
