* Benefits

Quince & Apple hand crafts artisan foods in small batches. We are a truly small, values-driven company located in the heart of Wisconsin, whose state motto is "Forward!" Our fairly-paid food artisans make each batch in small pots from real produce, sourced from the Midwest when in season. Our Forward Provisions pickle line is carefully packed by hand to present beautifully in the jar, and cooked just enough to combine our rich seasoning mixes with crunchy, unique vegetable pairings.

Pickled Carrots & Habanero is a crowd favorite, balancing the satisfying crunch of carrots with habanero heat and a touch of sweetness.

Add a spicy punch to a charcuterie board or Bloody Mary, or snack straight from the jar. Great with rich, buttery cheeses like Muenster or a strong, salty option like Manchego.

All of our pickles have a clean label with simple ingredients, and are all-natural, vegan, gluten free, and non-GMO. This recipe includes only carrots, vinegar, water, cane sugar, garlic, habanero peppers, salt and bay leaf.
