* Benefits

Quince & Apple hand crafts artisan foods in small batches. We are a truly small, values-driven company located in the heart of Wisconsin, whose state motto is "Forward!" Our fairly-paid food artisans make each batch in small pots from real produce, sourced from the Midwest when in season. Our Forward Provisions pickle line is carefully packed by hand to present beautifully in the jar, and cooked just enough to combine our rich seasoning mixes with crunchy, unique vegetable pairings.

Hot Giardiniera is a spicy Italian condiment that mixes colorful veggies with garlic and plenty of chilis. Our version features a plethora of crunchy, top-quality cauliflower, carrots, celery and bell pepper.

Top a hot dog or try mixing into pasta. Also great on a classic Italian muffaletta sandwich with mozzarella and Provolone, a heap of Italian meats, olives and roasted red peppers.

All of our pickles have a clean label with simple ingredients, and are all-natural, vegan, gluten free, and non-GMO. This recipe includes cauliflower, carrot, celery, bell pepper, chili peppers, vinegar, water, cane sugar, garlic, spices and salt.
