* Benefits

Vino Cabra is a semi-soft goats milk cheese from Spain that is infused and soaked in red wine. The pale paste is filled with purple veining resulting in a dramatic presentation for your next cheese board. Since the red wine is infused, the flavor profile is significantly stronger than other cheeses like it on the market.

A Spanish goat cheese infused and soaked in red wine, that's Vino Cabra. Beautiful purple veining are visible in the pale paste of the cheese. There are similarities with a Drunken Goat cheese; they're both made from goat cheese and soaked in wine.
