* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Awarded the Gold Medal at the World Cheese Awards, Prima Donna is aged, like fine wine, until it reaches the pinnacle of flavor. It is not aged for a set amount of time, but rather until it acquires a particular flavor profile. The unique flavor profile is as if a Gouda and Parmesan had an offspring. Prima Donna Maturo offers a unique Italian Taste sensation within the Gouda Family. White Crystals form in the holes of the cheese during the aging process and oohhh are they delicious! The 3rd of 4 aged varieties, the more aged the cheese, the less the fat content, lending itself to more health-conscious consumers.

Ingredients

Cultured Pasteurized Milk, Salt, Enzymes.
