* Benefits

Alpha Tolman like Appenzeller inspired this Jasper Hill Creamery original. Alpha Tolman has a buttery, fruit & nut flavor when young, developing bold meaty, caramelized onion flavors as it matures. The texture is dense and pliant, easily portioned, and ideal for melting. Try pairing with a robust ale, plummy red wine, or onion jam. For a satisfying meal, follow the lead of Swiss/French and use it for Fondue or Raclette - melt onto a plate of fingerling potatoes, cured meat and natural sour pickles.
