

Jasper Hill
34051 - Willoughby

Willoughby is a succulent and buttery washed-rind cheese that has aromas of peat, roasted beef and onions with subtle milky, herbal, ripe-peach flavors within. It has a thin, tender, rosy-orange rind, which adds earthy dimension to the texture and flavors of the gooey interior.

* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Willoughby is an original creation of Marisa Mauros Ploughgate Creamery, a Cellars collaborator that ceased production of the cheese after a creamery fire in 2011. With Marisas blessing we resurrected this pudgy little washed-rind and have continued to develop the recipe at Jasper Hill Creamery. This succulent and buttery washed-rind cheese has aromas of peat, roasted beef and onions a strong and complex front for the subtle milky, herbal, ripe-peach flavors within. Willoughby has a thin, tender, rosy-orange rind, which adds earthy dimension to the texture and flavors of the gooey interior.

Ingredients

Pasteurized cow milk, salt, rennet, cultures.

Allergens

Contains:

milk

Free From:

- crustaceans eggs fish peanuts
sesame soy tree nuts wheat

Handling Suggestions

Refrigerate UNIT UPC:
814836020046

Serving Suggestions

PAIRING AND SERVICE - Willoughbys small format is ideal for selling whole on the retail counter, or quickly rotating through a professional kitchen. The pudding-like texture may become softer with age, but should remain sliceable for portioning until 9 weeks after its production date. Pair with juicy rose, funky saison beer or raw floral honey.

Prep & Cooking Suggestions

Remove from chill 45min before eating, place on cheese board and spread creamy slices on a warm crusty baguette. Also great baked in the oven in a small crock with onion jam.
