

## **Shooting Star** 34099 - Scorpio Washed Rind Wheel

A small, washed rind sheep milk cheese, Scorpio has a buttery and smooth paste and peach colored rind. Flavors are both meaty and fruity, reminiscent of prosciutto and melon. Pairs well with light, fruity red and full bodied white wines. An excellent beer partner.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Servings per Container 32<br>Serving size 1.00Z (1oz)                                            |                                                                                                                                           |          |  |  |

## Shooting Star 34099 - Scorpio Washed Rind Wheel

A small, washed rind sheep milk cheese, Scorpio has a buttery and smooth paste and peach colored rind. Flavors are both meaty and fruity, reminiscent of prosciutto and melon. Pairs well with light, fruity red and full bodied white wines. An excellent beer partner.
