### \* Benefits

Our Dry Cured Duck Breast Prosciutto (2oz) is made using cage-free duck breast, air dried to perfection. This pre-sliced, ready to serve and eat pack comes from our Dry-Cured Duck Breast Prosciutto for your convenience! Serve with melon, salad, or on a charcuterie board. Enjoy just as you would traditional pork prosciutto. Raised in North America on a 200-acre farm, our Moulard ducks come from a cage-free environment and are fed a high-quality exclusively vegetarian diet, free of antibiotics or hormones. A hybrid cross between a Muscovy and Pekin duck, the Moulard has a hearty breast and hefty legs that makes it the poultry of choice for foie gras in certain regions of France.
