34845 - Serrano Ham Natural

Jamn Serrano is an integral part of the food culture of Spain. It differs from Italian prosciutto in that it is dry-aged at a higher temperature without lard, resulting in a lower water content and slightly drier texture that concentrates its flavors.

* Benefits

Jamn Serrano, which means "mountain cured ham," is an integral part of the food culture of Spain. It differs from Italian prosciutto in that it is dry-aged at a higher temperature without lard, resulting in a lower water content and slightly drier texture that concentrates its flavors. Fresh hams are buried for 10 days in Mediterranean sea salt before being moved to aging rooms for 17 months. No shortcuts are used to accelerate the process, resulting in a superior Serrano that is unctuous and full-flavored. Savory and nutty, with just enough salinity for balance.

Ingredients

pork, salt.

Serving Suggestions

A classic addition to a tapas plate, with Mitica Membrillo, Manchego, and Marcona Almonds. Excellent in sandwiches, tortillas, and fritters. Pair with a dry fino sherry or crisp lager.

Prep & Cooking Suggestions

Keep refrigerated. Bring to room temperature before serving. Always trim off any yellow fat or skin from the surface. For best results, first cut the ham horizontally following the line where the bone was removed. Use a slicer to cut thin slices.
