* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

A unique rendition of our Gouda with a slightly walnut flavor. We opened the doors of our first cheese plant in California in 1983. Walter and Lenneke, our founders, bought their first cheese vat, remodeled a small milk barn nestled in an almond orchard in Escalon, and began handcrafting Dutch Gouda, Quark and yogurt. Our store started as a self-serve operation in the barn, based on trust and a reputation for excellent cheese. Customers picked out their favorite cheeses from the refrigerator and left cash on the counter.

Ingredients

Ingredients: Pasteurized whole milk, salt, cultures, enzymes and annatto coloring.
