* Benefits

Sachs Original paneer is keto-friendly, gluten-free, and made with sustainable, grass-fed California milk. It is soft, crumbly, and melts in your mouth. With a very neutral taste, our original paneer is created for consumers, including kids, to just snack on. In addition to snacking, we also love using our paneer to cook traditional Indian dishes like Saag Paneer or simply sauting it with some veggies. Our paneer sears fairly quickly and makes for a quick and delicious weeknight meal. It's also great on the air fryer.
