### \* Benefits

Our Turmeric Twist Paneer is made with delicious, organic grass-fed milk and real turmeric root to create an authentic flavor. Mildly aromatic and a tad gingery, our Turmeric Twist is a unique combination of turmeric and black pepper. Black pepper not only balances the earthy flavor profile of turmeric but also helps with the absorption of curcumin (a beneficial, active ingredient in turmeric) into the bloodstream. We developed this so its balanced enough for you to taste the turmeric and have the health benefits of it, without it being too strong of a taste profile. Paneer scramble, a breakfast topping on a bagel, or protein addition to any salad are some of the ways we love using this flavor!
