* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Subtly sweet, figgy and cheesy. A unique mix of subtly aromatic Pinot Grigio wine, with its delicate fruity notes, and fig's nutty, sweet presence. Blended with real Wisconsin cheese, this newest edition to our popular cheese spread lineup is quickly becoming a popular favorite.

Our classic line of spreads is inspired by family recipes that were once made in the Italian kitchen of Di Bruno Bros. founders Danny and Joe Di Bruno, over 50 years ago. The new spread flavors and creation process symbolize the new era of Di Bruno Bros., involving a team of Certified Cheese Professionals, and current, third-generation owners. The goal was to create flavors that would bring the Di Bruno Bros. mantra of culinary pioneering to life with flavors that are delicious, exciting, and something you wouldn't typically expect.

Ingredients

cheddar cheese (pasteurized milk, cheese cultures, salt, enzymes), cream, whey powder, pinot grigio wine, figs, soluble fig solids, water, salt, lactic acid, & xanthan gum
