\* Benefits

Schaller & Weber Cheddar Brats are based on Ferdinand Schallers Smoked Sausage recipe and influenced by the Austrian Ksekrainer. Instead of Emmentaler, each link is packed with a Vermont Cheddar from Plymouth Artisan Cheese, the second oldest cheese company in the United States (founded in 1890 by Calvin Coolidges father.) It all comes together for a tasty dose of smoked flavor, pork filling, and smooth cheddar cheese. Cheddar brats are a summertime favorite and taste great right off the grill, but theyre also a delicious sausage to serve year round.
