Benefits

Lovely thick party slices of Sharp Cheddar, Colby, Havarti, and Gouda; there is a favorite for everybody. 7 slices of each cheese, that is almost 30 slices and all of that's about a pound of cheese. A great variety you can share with a lot of people. You don't need to do anything, just have crackers, toast or bread handy and the cheese party can start. The slices are packed in a re-sealable package, but once you opened it, please finish it within 3-4 days; sliced cheese dries faster than a chunk of cheese.
