* Benefits

An intensely rich interpretation of the fine Westphalian flavor. Schaller & Weber Nusschinken is a smaller Westphalian Ham. It is made in the same style as the larger hams, but cut from the knuckle, or nuss. This muscle is much more heavily worked than an average ham, which gives it a darker meat look and richer flavor as a starting point. Once the Nusschinken is cured and smoked in the Westphalian style, what comes out is smaller ham with a dense flavor that is sure to be a treat at any meal.
