* Benefits

For more than a century, Meister Cheese has been known as a high-volume producer of award-winning American style cheese. Our founder Joseph Meister specialized in making flavorful Cheddar cheese, and Meister Cheese continues to win awards with the family recipes. Over the years, we have added flavored Monterey Jacks, Colby, Havarti, Gouda, and other varieties, also recognized for their taste and quality. Hickory Smoked Cheddar is a semi-hard cheddar with an all-natural smoked flavor throughout. Hickory Smoked Cheddar has a yellow golden color and carries a nutty taste. All Meister items are Naturally Lactose Free, Gluten Free, and Vegetarian. The Meister brand is also made with milk that is procured from our certified Cows First program. The Cows First program allows us to recognize farmers hard work and respect for their herds. Allowing them to treat their cows like family and combine traditions of family farming with the best practices of modern technology. The hard work American dairy farmers have done for generations sending to their fields and their herdholds a special place in our hearts. We know that cows treated well produce the highest quality milk, in turn allowing us to craft the highest quality cheeses. Thats why dairy farmers who provide milk for our cheeses follow our one-of-a-kind Cows First program.
