* Benefits

Schaller & Webers Nduja is a unique Italian-style spicy salami that traces it roots back to the Calabria region in Southern Italy, where the pepper bearing the same name is grown. Because of its high fat to protein ratio this salami remains soft and spreadable even after the drying process is complete making it not only an excellent charcuterie option, but a fantastic cooking ingredient as well. Spread thick across a toasted, crusty baguette, saud with white beans and kale, topping a roman style pizza, or folded in to fettuccini and clams at Blume Ndujas rich flavor keeps us coming back for more.
