

Guentensperger Kaese AG

370014 - Ziegenkoenig Cheese Wheel

* Benefits

On the steep pasture slopes in Tpggenburg, the Toggenburger goats truly have the crown on their heads. The robust and witty acrobats jump nimbly yet gracefully after the spicy grasses. The clever goats know exactly where to pluck away the best herbs and shrubs. The delicately tangy herbaceous meal in the fresh mountain air gives the milk its unique aroma. In the small speciality chees dariy "Bodmen", a small kingdom just for goat cheese, the Guentensperger cheese-makers cheese the milk by hand into the aromatic goat king. The fact that the goat king deseves to be crowned far beyond Toggenburg is also proven by the gold at the Kaesiade 2021.

Ingredients	Allergens
goat's milk (silage-free), salt for the whole production and ripening process, animal rennet, lactic acid bacterias	Contains: in milk Free From: contains: in milk Free From: contains: in milk in milk

Guentensperger Kaese AG

370014 - Ziegenkoenig Cheese Wheel

With the first bite and the light, typical scent of goat in the nose, we see ourselves in the middle of the steep slopes surrounded by the proud Toggenburger goats. While the funny goats wink at us while plucking herbs, the spicy aroma spreads across the palate. A real down-to-earth character
