* Benefits

A complex English Cheddar with a creamy lasting flavor. Organic Kingdom is a USDA-certified organic British cheese available in the U.S. The organic milk is sourced from grass-fed cows that are free to roam and graze on lush pastures in the heart of the cheddar region of England. This is what gives our cheddar its distinct and deliciously bold taste. The cheese is manufactured by Wyke Farms in Somerset since 1861 and is produced with 100% sustainable biogas energy.
