* Benefits

Classic French-style dry-cured duck breast (prosciutto), air-dried for 35 days. Our average breast weighs 10.5oz-12oz. Our duck is certified Cage-Free, Antibiotic-Free. Slice and use as duck prosciutto to wrap your favorite melons or seafood! Raised in North America on a 200-acre farm, our Moulard ducks come from a cage-free environment and are fed a high-quality exclusively vegetarian diet, free of antibiotics or hormones. A hybrid cross between a Muscovy and Pekin duck, the Moulard has a hearty breast and hefty legs that makes it the poultry of choice for foie gras in certain regions of France.
