37559 - Merry Goat Round

Merry Goat Round is our best-selling retail cheese for good reason. Actually, quite a few reasons. The super creamy texture. The oh-so-clean flavor. And that rind? Its soft and bloomy and is edible at any stage of ripening.

* Benefits

As one of our flagship cheeses, Merry Goat Round has been a huge hit since FireFly Farms began making cheese in 2002. Mild and lactic when young, the cheese becomes softer and creamier as it ages, developing earthier and more mushroomy aromas and flavors. The soft bloomy rind is edible at any stage of the cheeses ripening, with the fullest flavor concentrated at the rind. Merry Goat Round is perfect for any soft cheese lover.
