382640 - **Feta Block In Brine Vegan**

Plant Ahead plant-based Feta block in Greek rock salt brine is produced in Greece by master cheese makers and is virtually indistinguishable from its dairy based counterpart. Allergen-free and ready to use, there is no other product like it on the market.

✳ Benefits

Plant Ahead brand is based on the philosophy that plant-based cheese should have the same texture, flavor and performance of real cheese. Whether your lifestyle is vegan to flexitarian, or you are concerned about health, animal welfare or sustainability, the Plant Ahead family of products provide a truly unique gourmet experience in the premium plant-based cheese category. All products are made from plant-based ingredients and are free from all allergens like dairy, nuts, soy and gluten without compromising flavor or nutritional benefits. Plant Ahead plant-based Feta is produced in Greece by master cheese makers and is virtually indistinguishable from its dairy based counterpart. Destined to become a cheese board, snack tray, salad and side dish super star. There is no other product on the market that delivers the flavor and performance as Plant Ahead plant-based Feta.
