### \* Benefits

Dragons Breath is a specialty crafted cheddar made by Hennings Cheese in rural Kiel, Wisconsin. For 4 generations our family has been making award winning artisan cheese since 1914. We handcraft small batches of cheese using fresh milk from our small local family dairy farmers. Their cows pasture graze when weather permits and are otherwise fed natural grains. Our cheese is always gluten & rBST free. Dragons Breath Cheddar is named for the spicy peppers that will leave your mouth on fire. This delectably spicy cheese is great for melting in mac & cheese, enchiladas, nachos, sausage skillet, burgers and more! Enjoy this with an ice-cold craft beer or sweet wine!
