

Lurisia

391651 - Limonata Soda

To make our Limonata exceptional, rather than opting for only one ingredient, we chose three: the three flowerings of the lemon. Grown in one of the most enchanting panoramas in Italy, in good lands, kissed by sun and sea, the lemons are harvested with three different degrees of ripeness.

* Benefits

Delicate pale yellow nuances encapsulate a symphony dominated by citrus chords and enveloping fresh notes. The olfactory richness of the fruit releases an intense aroma, characterized by a pleasantly pungent fragrance. On the palate, the tart strength of the lemon, accompanied by the fine effervescence, encounters sweetness, offering a rich flavour of pleasantly contrasting sensations. Serve in a tall tumbler filled with finely crushed ice and garnish with lemon peel. We recommend pairing with cream desserts and small pastries. Serving temperature: 3/7 C

Ingredients

water, lemon juice from concentrate, sugar, orange juice from concentrate, acerola juice from concentrate, carbon dioxide, natural flavoring, natural three lemon blossom flavoring
