

Cypress Grove

39510 - Midnight Moon Half Wheel

Midnight Moon is aged at least one year, resulting in a cheese with a nutty and brown-buttery flavor, with prominent caramel notes. The texture is firm and dense, and the taste is smooth with a slight graininess long-aged cheeses have.

\* Benefits

Aged six months or more, Midnight Moon is a blushing, ivory-colored cheese that's nutty and brown buttery up front with a long caramel finish. As the cheese ages, protein crystals form and lend a slight crunch to the otherwise dense and smooth cheese. Midnight Moon is a gouda-style goat milk cheese that many consider the "gateway goat cheese" because of its approachable and delicious flavor that is strikingly different from fresh chevre.

Ingredients

Pasteurized cultured goat milk, salt and vegetarian rennet.
