* Benefits

Quince & Apple hand crafts artisan foods in small batches. We are a truly small, values-driven company located in the heart of Madison, WI. Our fairly-paid food artisans apply our special sugar coating and bake each tray of nuts individually, hand-tossing and sorting every batch. Each recipe is carefully crafted to balance sweet and savory notes so that it pairs perfectly with cheese, as well as being super-snackable out of the bag. Treat Spiced Almonds feature savory gourmet almonds sprinkled with premium sesame seeds, and a bit of a delayed kick from peppery red chili flakes. Perfect on a charcuterie board. Try with alpine-style, aged gouda, blue and cheddar cheeses. Also great for snacking: pair with a cold beer and popcorn. All of our nuts have a clean label with simple ingredients, and are all-natural, vegan, gluten free, and non-GMO. The ingredients are simple: almonds, cane sugar, sesame seeds, canola oil, spices and salt.
