* Benefits

As fall comes to the Rogue Valley, cooler temperatures and wet weather bring renewed growth to the pastures. This is when our cows milk is at its best and its only during these months that we make our limited edition, seasonal Rogue River Blue a cheese that has now been named 2019/2020 World Champion at the World Cheese Awards. After 9 to 11 months of careful tending in our aging caves, our team hand-wraps each wheel in organic, biodynamic Syrah grape leaves that have soaked in pear spirits. Inspired by a sense of place for over 85 years, Rogue Creamery draws from the beauty and flavors of Southern Oregons Rogue River Valley to create a variety of hand-milled cheddar cheeses. These cheeses are all Certified Organic by Oregon Tilth, vegetan-friendly, and made with premium, pasteurized, rBST-free cows milk that is Animal Welfare Review Certified by Validus.
