* Benefits

Reypenaer is a Gouda cheese matured for 1 year. Made in a traditional way by a small cheese factory. After this, the cheese is historically ripened in the unique micro climat of our old cheese warehouse in Woerden (Holland) with natural differences in temperature and humidity. Reypenaer has been awarded during the prestigious International Cheese Awards in Nantwich three times as the best Gouda cheese of The Netherlands (in 2005, 2007 and 2009).
