### Handling Suggestions

See label for suggestions

Serving Suggestions

With any pasta entree, side dish or appetizer

# Prep & Cooking Suggestions

Ravioli must be cooked from the frozen state, it should never be pre-thawed. Add 1 lb stuffed pasta to 8 quarts simmering water with 1 tablespoon salt and stir to keep pasta from sticking to the pot. Cook pasta at a gentle simmer over medium heat for 7-8 minutes. Do not boil too rapidly or ravioli could open!
