* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Socit Roquefort uses whole, raw, Lacaune ewe's milk and the milk must come from within the Roquefort region. After 3-10 months of ripening, the cheeses are placed into their final packaging and are ready to be sold. Roquefort is a well balanced cheese renowned for its aroma and flavor which has, through the course of history, captured the appreciation of kings, emperors and many writers.
