* Benefits

Potters whole grain, organic, handmade, crackers, crisps and oysters are produced with locally sourced whole-wheat flour and local milk and butter in Madison, WI. Most of the produce we use comes from small, local farms. Potters offers 7 year-round varieties of crackers, 4 crisps and 4 oyster flavors to fulfill all of your cracker needs! Potters is certified organic by MOSA, Midwest Organic Services Association, Inc. Potters Cranberry Hazelnut Crisps are made with whole grains, rolled oats, seeds, dried cranberries and raisins. They are a departure from our flatbread-style crackers; so different they deserved packaging of their own! This cute handmade berry box is filled with plenty of organic deliciousness! Their crunchy, airy texture and complex flavor profile lend themselves well to soft cheeses. Try this festive crisp with goat cheese, mascarpone, or a camembert. We even love them plain as a healthier substitute for chips!
