* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Potters Crackers are whole grain, organic, handmade, crackers, crisps and oysters are produced with locally sourced whole-wheat flour and local milk and butter in Madison, WI. Most of the produce we use comes from small, local farms. Potters offers 7 year-round varieties of crackers, 4 crisps and 4 oyster flavors to fulfill all of your cracker needs! Potters Crackers is certified organic by MOSA, Midwest Organic Services Association, Inc. Potters Six Seed Cracker combines traditional organic wheat flour with organic brown and golden flax seed grown right here in Wisconsin, along with our special blend of other seeds. Then we add some local organic milk and butter to pull it altogether, making it one of our most popular flavors. The reason this crispy cracker is so popular is because it pairs nicely with almost everything, especially gouda. Go for the Six Seed Cracker when you need a real crowd pleaser!
