* Benefits

Briati Mascarpone is crafted from fresh sweet cream. It is a thick, soft cheese with a rich butterfat content that makes it an essential ingredient in Italian recipes. Necessary for tiramisu, great on French toast, delicious in cheesecakes or in frostings. For savory, use to thicken pasta sauces, in risotto, for eggs, the possibilities are endless. Made with rBST free cream sourced from sustainable family farms and produced with renewable energy.

Mascarpone is often described as a curd cheese although it is made in much the same way as yogurt. After the culture has been added, the cream is gently heated, then allowed to mature and thicken. It develops a magnificent, thick, spoonable texture and is extremely versatile.
